

Frequently Asked Interview Q & A in Manual Testing: 90% Frequently Asked Q & A (Paperback)

By Bandana Ojha

Independently Published, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. Frequently asked Interview Questions and Answers in Manual Testing" book will help the reader to get a good understanding of manual testing methodology, concept, approaches and analysis. The author of this book conducted so many interviews at various companies and meticulously collected the most effective questions with simple, straightforward explanations. Rather than going through comprehensive, textbook-sized reference guides, this book includes only the information required to start his/her career as a manual tester. Answers of all the questions are short and to the point. We assure that you will get 90% frequently asked interview questions and answers going through this book. It is aimed at anyone who is interested to take a job in manual testing ranging from junior to expert level.
