Ransom Publishing, United Kingdom, 2013. Paperback. Condition: New. Language: English. Brand new Book. Layla is a young singer who is just hitting the big time: she has even got her own bodyguard. With all of the excitement of her growing fame comes the eerie presence of an unknown heckler who begins to follow all her performances. But who is more dangerous, the heckler or her bodyguard?In the same style as the Shades 2.0 series, this book tells a fast-paced story but is much shorter than the Shades, allowing for less-able readers to still experience the gripping story but with much simpler language and a larger font. The excitement of the Shades series is still there in these shortened versions of the dramatic, enticing stories.
